REPORT

[To accompany H. Res. \_\_\_\_\_]

The Committee on Rules, having had under consideration House Resolution \_\_\_\_\_, by a record vote of 9 to 3, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 3056, the "Tax Collection Responsibility Act of 2007," under a closed rule. The resolution provides for one hour of debate equally divided and controlled by the chairman and ranking minority member of the Committee on Ways and Means.

The resolution waives all points of order against consideration of the bill except those arising under clause 9 or 10 of rule XXI. The resolution provides that the amendment in the nature of a substitute recommended by the Committee on Ways and Means, modified by the amendment printed in this report, shall be considered as adopted and the bill, as amended, shall be considered as read. The resolution waives all points of order against the bill, as amended. This waiver does not affect the point of order available under clause 9 of rule XXI (regarding earmark disclosure). The resolution provides one motion to recommit with or without instructions. Finally, the resolution permits the Chair, during consideration of the bill, to postpone further consideration of it to a time designated by the Speaker.

EXPLANATION OF WAIVERS

Although the rule waives all points of order against the bill and its consideration (except those arising under clause 9 or 10 of rule XXI), the Committee is not aware of any points of order against the bill or its consideration. The waivers of all points of order against the bill and its consideration (except those arising under clause 9 or 10 of rule XXI) are prophylactic in nature.
